2020 Nomination and Election Information Bulletin No. 2 General Teamsters, Local Union No. 362

March 26, 2020

Subject: Questions about access to Local 362 offices.

Questions have arisen about beginning the Election process during the current public health crisis.

A concern was expressed about the protections put into place to protect the staff at the Edmonton and Calgary office could possibly cause difficulty for some members to seek advice on dues payments, election eligibility, among other things.

There is simply no evidence to support that concern. Phone calls are the easiest method to communicate with the offices and members routinely call the offices. Any member can phone the office staff and/or a Business Agent in order to be put in contact with the staff, or myself.

For those members who wish to pay their monthly dues directly to the office without travelling to the office, the instructions for electronic payment are attached to this Bulletin.

Sincerely and in Solidarity,

A handwritten signature in blue ink that reads "Douglas Finson". The signature is written in a cursive, flowing style.
