#### **ARTICLE NO. 10:000 – PORTABILITY**

10:100 The intent of the Portability Clause is to allow drivers the opportunity to transfer from one division to another, as required.

Drivers must indicate their desire to qualify in another division. Qualifying sessions will be held as required.

In Coach Division, after qualifying, drivers will be placed on the part-time list. When a position becomes open, these drivers can apply to be considered. Their part-time list seniority will be the determining factor.

In the Site Service Division, after qualifying, drivers will be placed on a part-time List. When a position becomes open these drivers can apply to be considered. All things being equal, the part-time Seniority List will be the determining factor. If a new part-time driver works six (6) hours for five (5) consecutive days and for more than six (6) consecutive weeks, that will constitute that part time driver being placed on the full time seniority list.

The Employer will post all open full time positions within each Division. Employees within the Division where the opening exists will have the right to fill the openings in order of seniority.

Any full time positions remaining will be offered to those Employees in all other Divisions and awarded in order of qualification (Class of License) and seniority. Employees transferring under this clause will carry their seniority with them and dovetail into the applicable Division.

The Company reserves the right to preserve Divisional Integrity and subject to operational requirements phase the Employees into the awarded positions over a course of time.

There will be a ninety (90) day grace period from the time of transfer. During this period, the employee will have the right to transfer back to their prior division, and respectively, the Company will have the right to return the transferred employee to their prior division without loss of seniority.

A full time position is defined as follows:

- Consistent and repetitive work
- A position required to balance "Team" integrity
- Full time as defined in the applicable Appendices

Employees transferring into another Division through Portability can only exercise this option once per calendar year.

The Employer reserves the right to refuse a transfer request to an Employee with a significant disciplinary file, whereas the Employer believes the Employee's success in the Division could be at risk. In such cases the Employee will have the right to appeal the Employer's decision as follows;

- The Parties (Employee, Steward, Director of Operations or Designate and Union) will meet to review the disciplinary file.
- The Parties will make recommendations, on a case by case basis, and implement an action plan for the Employee in question to attain the requested transfer.
- The Agreement of the Parties will be documented.

The above provision does not apply to those Employees exercising their rights under 9.102.

The Company also reserves the right to limit the number of drivers transferring at any time in order to protect divisional integrity.

It is understood that drivers have a primary obligation to the division they are transferring to.

It is understood that drivers have a secondary obligation to other divisions for which they are qualified, relative to their employment with Diversified Transportation Limited.

Drivers transferring through Portability, will not lose seniority for the purpose of vacation pay calculation, or safety awards.

There will be a ninety (90) day grace period from the time of transfer. During this period, the employee will have the right to transfer back to their prior division, and respectively, the Company will have the right to return the transferred employee to their prior division without loss of seniority.

The incident should be brought to the attention of your Manager, and/or Shop Steward. Once a complaint has been filed the General Manager will be informed and the Director, Human Resources (or designate) will lead the investigation.
