- (b) For the duration of this agreement, the Company will pay fifty percent (50%) of any monthly increase to the cost of the plan per calendar year. The maximum increase and exposure to the Company will be five dollars (\$5.00) to the monthly cost each calendar year.
5. The Company shall remit the premiums to the Administrator as designated by the Trustees of the Health and Welfare Plan. It shall be the Trustees' responsibility after receipt of the premiums to distribute same to the applicable carriers.

For employees who are laid off, the employee may arrange, at his own expense, with the Company to remit sufficient premiums to provide the employee with Life Insurance, Accidental Death and Dismemberment Insurance, and Extended Health benefits. This layoff provision shall take effect on the first day of the month coincident with or the next following month in which the employee was laid off, and shall continue for a maximum period of five (5) months or until the employee is recalled or returns to active employment with another Company, whichever occurs first.

6. When a member of the Union is temporarily laid off, his complete Health and Welfare benefits will continue until the end of the month in which the layoff occurred.

The following conditions will apply to the member during the layoff:

- (a) The Company will not deduct nor contribute to any Health and Welfare benefits or Alberta Health Care insurance premiums for those who are called back to work on a part-time basis while on the layoff.
- (b) Working less than fifty (50) hours per month will classify the employee as working on a part-time basis.
- (c) An employee has the option of maintaining layoff coverage for Life Insurance, accidental death and dismemberment, and extended health benefits as outlined in Item 5 above. To obtain the optional layoff coverage, the employee must inform the payroll department of his intention, and remit the required premium no later than the fifth (5th) day of each month.

- (d) All the employee's benefits will be reinstated when he returns to work on a regular full-time basis.

RE: Company Policy Reviews

During the collective bargaining process the Parties had extensive discussions on Article 11.18 (Medical Examination) and Appendix "C" (RRSP). The Employer stated that they are currently engaged in internal reviews of their policies and practices concerning when employees would be required to undergo a medical examination to establish fitness for work and the eligibility requirements for participation in the RRSP program, but the review process would not be completed for some time.

The Parties agree that once the Employer has completed their reviews the Union and the Employer will meet and discuss the application of Article 11.18 (i.e. when it would be reasonable to require an employee to undergo a medical examination) and Appendix "C" (i.e. eligibility requirements for participation and if employees currently ineligible can rejoin the plan).
