5.9 Overtime and Part-Time Work

Under such Leave, the employee shall retain and accrue seniority only.

At the end of three (3) months, the affected employee must clear up his deficit, and upon so doing he will be eligible for a further three (3) months protection. When the employee returns to work, the Company shall deduct from his earnings, any monies the employee would normally have paid. In the event an employee does not return to work, and the employee refuses or neglects, upon demand at his last known address, to make restitution for such monies normally paid by the employee, the Union shall then reimburse the Company for said amount.
