AMAZON WORKERS IN CANADA, IT'S TIME TO TAKE A STAND!

Joining the Teamsters means demanding the wages you rightfully deserve, instead of settling for whatever the company decides to throw your way. We've seen the disregard for job security and the constant threat of being replaced—enough is enough!

With Teamsters at your side, you can combat the hazardous working conditions in Amazon fulfilment centres and ensure you're not another statistic in a workplace accident. And let's not forget the discrimination lurking in the shadows. By uniting under the Teamsters banner, we send a clear message: every worker deserves respect and fair treatment, and we won't stand by as Amazon profits off our sweat and sacrifices without giving us our due. It's time for action. Join us.
