AND: **GENERAL TEAMSTERS, LOCAL UNION NO. 362**
(hereinafter referred to as the "Union")

RE: **Extra work assignments for COE Residential Drivers on a 4 day work week**

A request has been made by the Company to enter into this Letter of Understanding with the Union and its Membership regarding extra work assignments outside of a Drivers regular Line of Business. This Letter of Understanding is specific to only those Lines of Business mentioned herein, and will not be used to deprive the regular Front-Load and/or Roll-Off Drivers of straight time or overtime hours. More clearly, the option to complete extra work will be offered to Front-Load and/or Roll-Off Drivers first, on a voluntary basis. If such extra work is refused by those Drivers, it may be offered as voluntary extra work as described below.

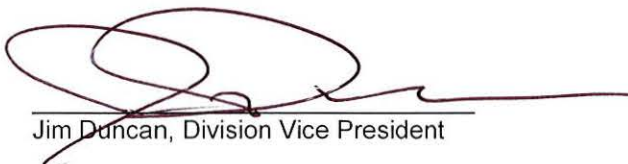

Therefore, it is understood and agreed that any City of Edmonton Residential Driver working on a 4 day work week will be permitted, on a voluntary basis, to work a fifth (5th) day outside of his/her Line of Business into the Front-Load and/or Roll-Off Line of Business. The hours completed for this extra work will be paid out a 1.5 times the hourly rate stipulated in Appendix "E", Front Load Drivers and/or Roll-Off Drivers, of the current Collective Bargaining Agreement, if such work is on a voluntary basis. If this extra work is required by the Company, such Driver will be entitled to 2 times the hourly rate stipulated in Appendix "E", for the work performed in that line of business. Further to this, it is understood that the regularly assigned work of a Driver must be completed in order to receive the overtime rates stipulated in this Letter of Understanding for such extra work.

This Letter of Understanding will remain in effect until the expiry of this current Collective Bargaining Agreement, or alternatively at any other time upon 72 hour written notice by either the Union or the Company.
